**BONUS!** Find plates from Canada, Mexico or U.S. Territories

## Battleship—You sank my Yorktown!

Do battle with famous South Carolina ships. Visit the *Yorktown, Ingham, Laffey and Clamagore* at Patriots Point Naval & Maritime Museum in Mt. Pleasant, SC ([patriotspoint.org](http://patriotspoint.org)).

**DIRECTIONS:** Draw a grid—10 X 10 squares—on two pieces of paper. Label 1-10 across the top and A-J down the side. Mark your ships on the grid. The object of the game is to try to guess where the opponent's ships are. After each guess, say "hit" or "miss." When someone hits all the squares for one of the ships, they have "sunk" your ship. Keep playing until all of one player's ships are sunk.

# of squares:	Ship:
5	Yorktown (aircraft carrier)
4	USS South Carolina* (battleship)
3	Ingham (USCG cutter)
2	Laffey (destroyer)
1	Clamagore (submarine)
1	H.L. Hunley* (submarine)

Example: Your chart might look like this.

	1	2	3	4	5	6	7	8	9	10
A		Y	Y	Y	Y	Y				
B										SC
C										SC
D										SC
E										SC
F		I	I	I						
G										
H			C					L	L	
I										
J										H

\*Nuclear powered guided missile cruiser from 1972-1999.

\*During the Civil War, the H.L. Hunley was the first submarine to sink an enemy warship. Tour information at [hunley.org](http://hunley.org).
